INTRODUCTION

This institution was established as Saraswati Shishu Mandir, Vrindavan in 2000 and Vidya Mandir Classes began in 2006. It was inaugurated on 20th January 2010 Vasant Panchami by Shri Ramesh Chandra Pokhariyal Nishank Chief Minister Uttarakhand Government and Shri Brahm Dev Sharma (Bhai Ji) patron Vidya Bharati. The School is on the path of continuous progress through active leadership arrangement of modern facilities and well education is being provided by the latest technical and skilled experienced teachers. Training is done from time to time on the basic of correspondence and changing education environment. The basic purpose of the institution is to make all round development of the students. Who can develop their abilities and make their full participation in the creation of society and Nation. In present 1700 students are studying in the school among them 60 students belong to North East State.

AFFILIATION - School follow the syllabus prescribed by the C.B.S.E, New Delhi but it has the also devised and implemented a comprehensive scheme of education as an additional effort to develop the personality of the students on the lines of the educational philosophy of VIDYA BHARATI AKHIL BHARATIYA SIKSHA SANSTHAN.

Message of Manager

The aim of **RAMKALI DEVI SARASWATI VIDYA MANDIR SENIOR SCNDARY SCHOOL KESHAV DHAM** is to develop the creative and peaceful mind and strong body. The school has delivered excellent academic performance which is essential of education. School is one of the most vital social institutions and an advanced society to develop the children so that they may become important part of the country.

RDSVMSSS is poised to scale new heights and score impressive achievement in future. I encourage parents of prospecting and learn more about our school and identify the reason how it has evolved as a bench mark school in Vrindavan.

I wish the principal staff and students of RDSVMSSS Keshav Dham school will achieve great success and glory in the future.

Harivansh Khandelwal
Manager

Message of Principal

Ganesh Dutt Sharma
Principal

Rooted in the timeless values of Indian culture, Ramkali Devi Saraswati Vidya Mandir, Keshav Dham, Vrindavan is committed to nurturing enlightened, disciplined and value-oriented learners. Our institution envisions education as a holistic process that fosters intellectual growth, moral integrity, emotional balance and social responsibility. In harmony with the National Education Policy (NEP) 2020, we emphasize conceptual understanding, competency-based learning, creativity, critical thinking and experiential education, while remaining firmly anchored in India's rich cultural and spiritual heritage. Through a balanced integration of modern pedagogy and Bharatiya educational ethos, our dedicated Acharyas strive to shape students into confident, ethical and responsible citizens, prepared to contribute meaningfully to society and the nation.

Guided by the eternal ideal—"Sa Vidya Ya Vimuktaye" (That is education which liberates), we continue our journey towards academic excellence and character formation.

SHISHU VATIKA

Shishu Vatika is a joyful and nurturing learning environment for young children, where education is blended with play, nature, and creativity. Children learn through observation, exploration, and joyful activities that encourage curiosity and confidence.

The school follows a twelve-dimensional approach for holistic development, including activities such as art, science, stage programmes, playground learning, exhibitions, gardens, workshops, and creative spaces. Through these experiences, children develop physical fitness, mental alertness, creativity, intellectual growth, and critical thinking, building a strong foundation for lifelong learning.

Shishu Vatika Activities

Cultural Activities

Student Parliament

Students Parliament is a wing of students whose members are elected by school students through voting. Aim of student parliament is to develop the leader quality among students. Members of student parliament play different roles like to maintain discipline, social activities, Plantation & active role in different programs in school.

Scout Education

Scout education is a non-formal, character-building movement for youth, focusing on holistic development through outdoor activities, practical skills, and a values-based system (Promise & Law) to foster self-reliance, leadership, and good citizenship.

Physics Lab

Chemistry Lab

Math Lab

Science Exhibition

Physics Laboratory

The physics lab is used to study forces, light, electricity, sound, and motion. It contains instruments like voltmeters, ammeters, magnets, lenses, and pendulums. Experiments help students understand laws of physics practically.

Chemistry Laboratory

In the chemistry lab, students perform experiments related to chemicals and reactions. It has test tubes, chemicals, burners, and safety tools like gloves and goggles. Students learn about acids, bases, salts, and chemical changes.

Math Laboratory

The math lab helps students understand mathematical concepts using models, charts, and activities. It makes learning numbers, shapes, and formulas more interesting and practical.

Science Exhibition

Developing an innovative project (working model, investigation), and presenting it with a clear display board (title, data, conclusion) and a compelling explanation of its real-world relevance, focusing on scientific principles and potential solutions to problems.

Computer Laboratory

The computer lab is equipped with computers, internet facilities, and educational software. Students learn typing, programming, internet use, and digital skills here. It helps them become familiar with modern technology.

Library

The library is a quiet and resourceful place that supports learning and research. It contains a wide collection of textbooks, reference books, storybooks, newspapers, magazines, and digital resources.

Health Checkup & First Aid

First Aid is the immediate care given to a person who is injured or suddenly becomes ill before professional medical help arrives. The aim of first aid is to save life, prevent the condition from worsening, and promote recovery.

Social Science Laboratory

Social Science helps students understand society, people, and the world around them. It includes the study of History, Geography, Civics (Political Science), and Economics. Through this subject, students learn about past events, cultures, government systems, natural resources, maps, trade, and human rights.
